

PDR Rubric

Team Rubric (25 points)			
Powerpoint	All diagrams are appropriately sized. There are no more than six bullet points on a slide. There is a consistent formatting across the powerpoints. (5 points)	Some requirements met. (partial points)	No requirements met. (0 points)
Clarity in Speaking	Everyone spoke. Transitions are done well between speakers. There are almost no “um”s or “uh”s. (5 points)	Someone did not speak. People do not seem to know who is supposed to present. There are a few “um”s or “uhs” (partial points)	No requirements met. (0 points)
Appropriate Content	There is an outline, approach, hardware, software, deliverables, and conclusion section. (5 points)	Some sections are missing. (partial points)	Same as above (0 points)
Answering Questions	Questions are answered clearly without the use of technical jargon unless it is necessary. There is clear thought behind design choices. (5 points)	Answers provided are rather vague or demonstrates a lack of understanding of the project. (partial points)	Same as above (0 points)
Time	Time was met within plus or minus one minute (5 points)	Time was met within plus or minus three minutes (partial points)	Time was more than three minutes too long or too short. (0 points)
